**DEFAULT JUDGMENT
ORDER**

This action having been commenced by Plaintiff Collectanea J. Limited ("Plaintiff" or "Collectanea") against the Defendants identified on the Amended Schedule A, and using the Defendant Domain Names and Online Marketplace Accounts identified on the Amended Schedule A as Defendant Nos. 1-2, 6-13, 15-18, 20-38, 40, and 42 (collectively, the "Defendant Internet Stores"), and Collectanea having moved for entry of Default under Fed.R.Civ.P. 55(a) and Default Judgment under Fed.R.Civ.P. 55(b) against the Defendants identified on the Schedule A attached hereto which have not yet been dismissed from this case (collectively, "Defaulting Defendants");

This Court having entered a preliminary injunction; Plaintiff having properly completed service of process on Defaulting Defendants, the combination of providing notice via electronic publication and e-mail, along with any notice that Defaulting Defendants

received from domain name registrars and payment processors, being notice reasonably calculated under all circumstances to apprise Defaulting Defendants of the pendency of the action and affording them the opportunity to answer and present their objections; and none of the Defaulting Defendants having answered or appeared in any way, and the time for answering having expired, so that the allegations of the Complaint are uncontroverted and are deemed admitted;

This Court finds that it has personal jurisdiction over Defaulting Defendants because Defaulting Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defaulting Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products using infringing versions of Plaintiff's federally registered copyright (the "Beadnova Works") to residents of Illinois.

In this case, Plaintiff has presented screenshot evidence [Doc. 10] that each Defendant e-commerce store is reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can and do purchase products using infringing versions of the copyright images, which includes screenshot evidence confirming that each Defendant e-commerce store does stand ready, willing and able to ship its infringing goods to customers in Illinois bearing infringing versions of the Beadnova Works.

The Beadnova Works are included below.
